INSTRUCTIONS TO APPLICANTS

Please read the San Joaquin Political Academy information carefully, noting both requirements for selection and the time and monetary requisites for participation if selected. Read the entire application before beginning to write. complete all portions of the application legibly (the application will be copied and distributed to members of the selection committee) and please keep a duplicate copy of your application for your own file.

NOTE THE DEADLINE FOR RECEIPT OF APPLICATION.

You will receive acknowledgment of receipt of your application. The Selection Committee will review all applications and identify candidates to be interviewed based on thoroughness of the application, experience, and background. Applicants interviewed will be selected for Academy participation based on both the application (50%) and the oral interview (50%).

All applicants selected as participants in the Academy will be required to attend all classes in order to receive a certificate of graduation. All classes are taught in English. Academy participants who miss one or more classes will be required to make those classes up within the following year at an additional cost of \$25 per make-up class in order to graduate. The Academy defines an absence as a) not attending a class; b) tardiness of thirty minutes or more during any class including before or after a break; and/or leaving class 30 minutes or more before the class scheduled ending time. Three absences will result in dismissal from the Academy. The Academy attendance policy also requires that students stay in class rather than coming and going, which is disruptive to students and guest instructors.

Students who are elected officials may have their absences excused when a) those absences are due to regularly scheduled Council/Board meetings or due to special circumstances relevant to Council/Board meetings and b) they make arrangements in advance with the Academy Chairperson. Absences should be kept to a minimum in order to fully participate in class activities.
